AND SOME THINGS TO DO BEFORE THE SHOW DATE

Plant seeds NOW so they are big and strong by the date of the show.

Prepare your scarecrow - look in books at the library or online for more ideas.

Find a friend & practice with your wheelbarrow around the garden before the day.

Make an A3 collage from seeds, pasta, leaves and material - theme this year is a "Scarecrow"

Get painting or drawing - there are lots of classes for them.

Start a handicraft - sewing, knitting (ask an adult to teach you) crochet.

Make a model - kit form or from Lego - design your very own.

Get all those seeds/ pasta out and old beads to create a fabulous stylish necklace.

Practice your baking skills - lots of fun eating the ones that are not quite perfect !!

There are so many classes - have a look at what you are good at and you have plenty of time to practice the ones you're not so good at. **Have fun. See you on the 31st August 2009**

Note: Entries must be setup in the show tent by 10.00am on the day of the show (tent opens at 7.30am).
