

ATTRACTIONS 2020

Updated 10th July 2020

Welcome

Attractions across the region are starting to reopen and below is a list of some of the places which you can once again visit or who have confirmed their reopening date

Social distancing measures will be in place and to visit some attractions you might need to pre-book, whilst others may not have the full range of their facilities open at present and only accept card payments

Visit with confidence and look out for the new VisitEngland industry standard and consumer mark

<https://www.visitengland.com/covid-19-travel-advice>

We will update this list as often as we can but do recommend that if you wish to visit somewhere that doesn't currently appear on the list you check on social media or before you go to avoid any disappointment.

When visiting the countryside please remember to visit responsibly, follow guidelines and take your rubbish with you when you leave.

Enjoy!
